

DICKINSON COUNTY TRAILS BOARD

Please Support Friends of the Trails

If you and your family enjoy using the trails, we invite you to join the Friends of the Trails. Friends donations and pledges are used to provide matching funds for grants to build and maintain the trails.

Each \$1 donated generates a grant match of \$3. DCTB works to continue growing the trail system through grants that require 20-30% in local match that is made possible by our generous donors. You may send your tax deductible gift to the address below.

Thank you! Your contribution is appreciated!
