Great News! The Corridor is in our hands and the Rail Trail is ready to roll. The DCTB has obtained \$2 million in Federal Grants to purchase 37 miles of right of way and rehabilitate the rail bridges & crossings. Local Matching Funds needed for this project are over \$400,000. We are gearing up to start building the trail and your support is key to ensuring we have the matching funds to keep rolling. Thank you for your support!
